PAYMENT DEMAND NOTICE FOR REVENUE COLLECTION

The power of the Local Government or Area Council authorities to collect tenement rate is derived variously from section 7(5) and 1(f) of the 4th Schedule to the Constitution of Federal Republic of Nigeria. The Taxes and Levies (Approved List of Collection) Act, Tenement Rate Laws of the various states, Bye-Laws of the various Local Government or Area Council authorities.

The Kano State and Local Government Revenue Administration (Consolidation & Codification) Law, 2021 describe Tenements Rates for both Private and Commercial Property to be charge based on the value of the property. All the commercial property to be charge at the rate of 0.25% while the private property to be charge at the rate of 0.01%.
